RE: Application Serial number 09/898,616

As per the Raw Sequence Listing Error Report the following corrections have been made to the Sequence Listing:

- 1) As per Invalid Response <213>, "Synthetic" has been replaced with "Artificial Sequence"
- 2) As per Use of <220>, statements concerning source of genetic codes have been placed in the appropriate sections of <220> to <223>.

The content of the sequence listing information has not been altered and is identical to the written sequence listing and contains no new matter.
